CARL BUTTKE

NetSuite Developer

ABOUT ME

Before joining Anchor Group to work as a NetSuite Developer, Carl worked in a variety of technical and artistic fields. In his Chemistry field, Carl excelled at research in synthetic organic chemistry with an emphasis on novel organometallic catalysis and total synthesis of pharmaceutically active molecules. His work was featured in a variety of publications, presentations, and grants. In his spare time, Carl enjoys baking, reading, and learning Mandarin Chinese.
